Juvenile Documents Submitted for Filing

The court rescinds General Order 2010-05 and replaces it with General Order 2013-01 as follows:

Juvenile documents submitted for filing with multiple case numbers for multiple children, who are full siblings, and are all on the same dependency track may be filed in one report. All copies of the original report, including attachments, all copies to be endorsed or copies served on counsel must be identical. One original report shall be filed for each child. All reports shall be reviewed by the submitting party prior to filing to ensure the forms for proposed findings and orders are correctly assembled and attached to the report and identical copies are submitted to the court for filing.

Juvenile documents for all other filings shall be submitted for filing with a single juvenile name and case number on the report and any findings and orders or any recommendations that are attached shall pertain to the single juvenile named on the report.
